

Invitation to Tender

Supply and Install Sea Markers; ITT Number: ITT/0011

Background:

The reinstatement of the navigational system in the post 2017 hurricanes is crucial to ensuring the safe navigation of BVI waters, allowing passage of vessels and making sure BVI is tourist-ready. The sea markers, buoys, beacons and guiding lights that need replacing are spread all over the territory and; the addition of these markers will contribute to the protection of ecologically sensitive habitats near the high traffic bays

The RDA now invites tenders from eligible and qualified Tenderers for the supply and installation of the following sea markers:

Item No.	Qty.	UoM	Description
1	23	Each	Supply and install lateral markers (12 red, 11 green)
2	6	Each	Supply lateral markers (spare - 3 red, 3 green)
3	3	Each	Supply and install navigational markers
4	9	Each	Supply and install information and regulatory markers

The Procurement method will be conducted through the National Competitive Bidding (NCB) process.

The sea markers, buoys, beacons and guiding lights that need replacing are spread all over the territory. A map of the locations, full tender package including the detailed scope of works and other supporting documents may be downloaded from the RDA's website: <https://bvirecovery.vg/invitations-to-tender/>

For further information or clarifications, please send an e-mail to the RDA Procurement Team at: procurement@bvirecovery.vg
