BVI Waste Management Feasibility & Concept Design CLARIFICATION NO. 1 8 December 2020

#	Request for Clarification	Client's Response
1.	Do you have an estimated budget for the project?	The estimated budget for the project is between the range US\$15 million – US\$22 million
2.	Is there a prequalification assessment grid? What are the analysis criteria? (CVs, references, etc)	Please see attached
3.	Is there a project funder? or is it funded by the local government?	Currently it is expected to be fully funded by the Government of the Virgin Islands. It is possible that there may be other contributors, but this would depend on the sellability of the project as we proceed.
4.	How should we submit the EOI? (Hard copy, Email, Uploading it to a specific platform, etc.)	Expressions of interest should be emailed to procurement@bvirecovery.vg on or before the submission deadline.
5.	The document also mentions that only the first 15 pages of the EOI will be considered. Would the letter of submission be included in these 15 pages? Moreover, we may consider doing JV's for the project. Would the JV's intention agreements documents be included in these 15 pages?	<ul style="list-style-type: none"> - The letter of submission will not be counted as part of the 15 pages. - The JV agreement is not required at this stage.
6.	Is the draft waste management strategy referred to in the document available?	No. The RDA has not yet received the necessary permissions to disseminate this Strategy.
7.	Can you please indicate which consultants prepared the 2019 waste characterization for BVI as well as its draft waste management plan?	The identification of these consultants is immaterial for the purposes of this exercise.
