#	Question	Answer
1.	During the meeting we discussed the floor epoxy, which later was clarified to be the Rust-O armour gray with the black marble flecks. However, on the invitation to tender and the BoQ form, these are missing. Are these for another tender or to be included here?	The floor epoxy will not be included in this tender opportunity.
2.	Do we need to complete anything from booklet 2 (contract/etc)?	No, nothing is required of bidders for Booklet 2A & 2B.
3.	I have been putting together our bid based on the 6 items listed on your email. I also had a chance to read thru the voluminous booklet 1 and 2 and notice many other requirements...financial statements, certificates of good standing and Cv's of staff. Are these required with the bid next week too? Or just the simpler forms listed on the 6 points of your email?	The six items listed below plus your trade license and good standing certificates would be required (If you do not have the good standing certificates now, they will be required if you are to be awarded a contract): <ol style="list-style-type: none"> 1. Bidder Information Sheet 2. Form of Tender 3. Submission checklist 4. Completed Bills of Quantities 5. Form of Bid Security – 3% (either a Bank Guarantee <u>or</u> Bid Bond <u>or</u> Bid-securing Declaration) 6. List of Goods & Delivery Schedule You are also required to adhere to the instructions in Booklet 1.
